Dear Ms. Haskins:

Thank you for writing to the Hollidaysburg Area School District with your request for information pursuant to the Pennsylvania Right-To-Know law. Your request was received on July 10, 2019 as follows:

** Any documents associated with the purchase of Gaggle services for the school district. These documents may include contracts, grant applications, payment forms, payment orders, service agreements, and terms of service.*

** The total number of students in the school district that have been flagged for "signs of self-harm, depression, thoughts of suicide, substance abuse, cyberbullying, unhealthy relationships, and credible threats of violence against others."*

** The number of students that have been flagged for each respective warning sign category listed above.*

** Any school district emails that discuss disciplinary action (like detention or suspension) or an administrative response (like removing the student from class, or contacting the school guidance counselor, Child Protective Services, or the police) to student behavior on Gaggle.*

Pursuant to Section 902 of the Right-to-Know Law, you are hereby notified that the District is reviewing your request, and will require an additional thirty (30) days to prepare a written response. The reason for review, in this instance, is because the extent and nature of the request precludes a response within the required time period, and a response to the request cannot be accomplished due to bona fide and specified staffing limitations. 65 P.S. §§ 67.902(a)(5); (7). Information will be sent to you by August 19, 2019.

Respectfully,

Dr. Robert J. Gildea, Open Records Officer
